Hi Captain Neiman,

Thank You for providing this proactive outreach. Our Valley and Central Bureau HOPE Teams will be out with LAHSA providing information on Winter Shelters and Flood Warning Flyers as well.

Last week your team was very responsive and obtained voluntary compliance from several unsheltered individuals to leave some of the flood zones. Thank you, we appreciate it.

Please let me know if you have any questions or need anything from the UHRC.

Take Care,

Emada

In anticipation of weather issues next week possibly Wednesday/Thursday, we will deploy our Off-Road Unit into the affected areas on Tuesday to give warnings of the impending weather and pass out flyers regarding relocation.

Let us know if you have any questions or requests...:)
